

CoolBreeze Smart AC 1.5T

Product Details & Diagnostic Report

Category: Air Conditioner

Manufacturer: CoolTech Appliances Pvt. Ltd.

Model No: CB-AC-1500X

Product Description

Energy-efficient smart air conditioner with Wi-Fi control, AI temperature optimization, and low-noise operation.

Technical Specifications

- Cooling Capacity: 1.5 Ton
- Power Supply: 230V AC, 50Hz
- Energy Rating: 5 Star
- Refrigerant: R32
- Noise Level: 38 dB
- Wi-Fi Connectivity: Yes
- Warranty: 10 Years Compressor

Diagnostic Summary

The CoolBreeze Smart AC 1.5T demonstrates strong energy efficiency with a 5-star rating, making it suitable for residential and small office environments. The R32 refrigerant offers improved environmental performance compared to older refrigerants. The low 38 dB noise level supports quiet operation, while Wi-Fi connectivity enables remote monitoring and control. The 10-year compressor warranty indicates long-term reliability and manufacturer confidence.
